

At Owenair, we service all your aviation requirements, be it simple, complex or simply outlandish!

We specialise in Aircraft charter and management, with solutions to ensure that your best interests are our first priority! With a history in aviation since 1946, and a superb record of service and safety, you can be sure that flying with us is not only the right choice, but the only choice!

When flying charter with Owenair, you will enjoy a simply extraordinary experience with our spacious aircraft interiors, relaxing environments, superb onboard cuisine, tailor made to your dietary requirements and our luxurious 5* check-in lounges.

Your dedicated 24/7 team will ensure that your travels are flawless and fabulous ensuring you arrive at your destination feeling refreshed and ready for action!

We can dispatch your flight within 2 hours of your confirmation!

Our business jets have all the latest technology available onboard for your entertainment and corporate requirements. We are dedicated to handling customers and freight on our aircraft with the utmost professionalism and efficiency.

Your personalised Owenair team will have you on your travels within a few hours of your charter confirmation. Our experienced team will guide your decisions on aircraft, route and cost ensuring you get the best aircraft at the best rate!

Complex travel and freight flights are our speciality!

A full range of piston driven, turbine and jet aircraft are available for VIP travel to the destination of your choice. We fly within and around Southern Africa and to any international destination of your choice. Helicopter transfers are available on request.

We have maintained an impeccable safety record. Additionally, our pilots are highly experienced and well trained. All our pilots must exceed the training standards set by the CAA for charter flights!

AT Owenair safety, privacy, efficiency and comfort is our commitment to you as our VIP guest!

Conduct your business meeting at 42000 feet & seal the deal!

Our corporate jets offer you ample room for executive activity, be it for conferences, private one-on-one discussions or business meals. The spacious passenger area in our ergonomically designed aircraft allows multiple groupings in adjoining spaces without interruption!

*Service,
Safety, V.I.P.
treatment!*
